

ILT Meeting October 24, 2019

### **Agenda**

1. SEL during Election Day - Hands-on activities to utilize in the classroom
2. Clusters are part of the P.A.C.K. in the Pawsibilities Program: best ways for cluster teachers to choose and work with inquiry students
3. Looking at Preface to Next Generation Standards and discussing how to study and discuss on grade level teams to improve lesson and unit planning
4. Revising inquiry grade level documents through discussion to improve inquiry process for 2019-20 school year
5. Analyzing best sources for baseline data to improve this year's inquiry data for all teachers to use
  - a. Consider accuracy and comprehension for students for a more comprehensive understanding of the child's growth

### **Next Steps:**

1. Deeper knowledge of the Next Generation Standards
2. Collaborate to align planning with Next Generation Standards
3. Expand on knowledge and use of culturally responsive teaching and SEL
